**RULE SUMMARY**

This rulemaking is necessary in order for the Department of Corrections to require that an offender who was previously retaken and returned to this state from another state at cost to the State of Oregon, whether by formal or informal means, repay those costs to the State of Oregon before the offender may be approved by the Department for an interstate compact supervision transfer. Limited exceptions may be granted by the Compact Administrator or designee based on individual circumstances.

A public rulemaking hearing may be requested in writing by 10 or more people, or by an association with 10 or more members, within 21 days following the publication of the Notice of Proposed Rulemaking in the Oregon Bulletin or 28 days from the date Notice was sent to people on the agency mailing list, whichever is later. If sufficient hearing requests are received, the notice of the date and time of the rulemaking hearing must be published in the Oregon Bulletin at least 14 days before the hearing. The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
