### Instructions:

Select the appropriate Continuum of Care (CoC) name and number from the drop-down menu. The system will auto-populate the "Project Name" field.

Identify the appropriate "Project Type" from the drop-down menu (new or renewal project). Renewal projects are defined as those HUD McKinney-Vento grants that have received prior funding and are eligible to renew during the current competition.

Identify the project's "Program Type" and "Component Type." These selections must be made in the order of appearance (i.e. component type cannot be selected before selecting program type or project type). Depending on the program type selected, indicate the appropriate component type for the project.

Select the state(s) and the congressional district(s) in which the project is located. This information will be used to list the available geography codes on the next screen, and to send correspondence to the appropriate Congressional Representative(s).

In the last field on this form, provide a general description of the project. The description should include information on the homeless needs that are addressed by the project, the type of housing and number of units being proposed, and the target population that the project will serve. This information is required of all new and renewal projects. Rapid Re-housing projects must review the detailed instructions attached to the left menu and must reference the 2008 NOFA for detailed program requirements. Additional program requirements for all project types are also available at: <http://www.hudhre.info/index.cfm?do=viewHomelessAndHousingProgramInfo> for detailed program requirements. As well, additional training for completing this page is available online at: <http://esnaps.hudhre.info/training>.

The service range includes Hood River, Wasco and Sherman Counties. Graduates of the program will leave, having achieved affordable permanent housing either by means of a Section 8 HUD voucher that is in place or by an increase in household income, or both.

### Instructions:

#### New projects:

There are two types of special housing projects for the 2008 competition, Samaritan Housing and Rapid Re-Housing. All new SHP-PH, SHP-TH, S+C, and Section 8 SRO projects must identify whether or not special housing funds are being requested. Only new SHP-PH, S+C, and Section 8 SRO projects may request Samaritan Housing funds. Rapid Re-housing funds can be requested by new SHP-TH projects only.

#### Renewal projects:

Indicate whether or not the project previously received funds under the Samaritan Housing Initiative. If the project received Samaritan funds, the project must continue to meet the requirements of the initiative for the life of the project. Renewal SHP projects must also indicate whether or not it is a consolidated grant. All grant consolidations must be HUD approved prior to application submission. Each consolidated grant must be listed on the "Grant Consolidation" page.

#### New and renewal projects:

Indicate whether or not the project is:

- using Energy Star;
- located in a rural area (reference the definition in 2008 NOFA before answering this question); and
- located on land previously owned by the military.

All new and renewal projects must also indicate the geographic area(s) that will be served by the project.

#### Budget Activities:

All SHP projects must identify the budget activities being requested for the project. Depending on the project type, these budget activities may include acquisition, new construction, rehabilitation, leasing (units or structures), supportive services, operations, and/or HMIS. All S+C and Section 8 SRO projects must only complete the rental assistance budget and the estimated development cost budget, if applicable.

**Complete the following fields related to the number of units, beds, and bedrooms for each housing type in the project.**

**Housing Type:** Scattered-site apartments (including efficiencies)

# Project Participants - Households with Dependent Children

## Instructions:

The purpose of this form is to capture the total number of homeless persons served by the project at a point in time, as well as the subpopulations/disabilities for each household. If the project is not serving households with dependent children, enter "0" in the "Total Number of Households" field, and select "Save & Next" to move to the next form. .

Rapid Re-housing projects: 100% of the adults served by the project must be accompanied by children and should be reflected in the fields below.

Samaritan Housing, Safe Haven, and SRO housing projects: 100% of the households served by the project must not be accompanied by children. Therefore, enter "0" in the "Total Number of Households" field, and select "Save & Next" to move to the next form.

All projects: in the "Total Persons" column indicate the total number of "disabled adults," "non-disabled adults," "disabled children," "non-disabled children," and "Total Number of Households" for each household in the project. The system will auto-populate the remaining fields in this column.

Next, identify the appropriate subpopulation (Severely Mentally Ill, Chronic Substance Abuser, Veterans, Persons with HIV/AIDS, and Victims of Domestic Violence) for each person in the project. If the participants are dually-diagnosed and fit into more than one subpopulation (i.e. severely mentally ill with chronic substance abuse), make sure to indicate these individuals in all appropriate subpopulations (it is possible to have overlapping information). The system will auto-calculate all totals based on the values entered for each subpopulation.

Notice that information cannot be entered into certain fields. Persons with a severe mental illness and/or HIV/AIDS constitute disabled adults; therefore, no entry is allowed in the "non-disabled adult" fields. Also, no values can be entered for any children under the Veterans columns. For homeless assistance programs, chronic substance abuse, by itself, may constitute as a disability.

For additional instructions and examples on completing this form, reference the online training modules at: <http://esnaps.hudhre.info/training>. Reference the 2008 NOFA, and the program desk guide located at: <http://www.hudhre.info/index.cfm?do=viewHomelessAndHousingProgramInfo> for detailed program requirements.

**Indicate the total number of households that include a homeless adult with dependent children. Also identify the number of persons and subpopulations within each household in the project.**

Total Number of Households	2					
	<b>Total Persons</b>	<b>Severely Mentally Ill</b>	<b>Chronic Substance Abuse</b>	<b>Veterans</b>	<b>Persons with HIV/AIDS</b>	<b>Victims of Domestic Violence</b>

# Project Participants - Households without Dependent Children

## Instructions:

The purpose of this form is to capture the total number of homeless persons served by the project at a point in time, as well as the subpopulations for each household. If the project is serving households with dependent children, enter "0" in the "Total Number of Households" field, and select "Save & Next" to move to the next form.

Samaritan Housing, Safe Haven, and SRO housing projects: 100% of the adults served by the project must be unaccompanied by children and should be reflected in the fields below.

Rapid Re-housing projects: 100% of the adults served by the project must be accompanied by children. Therefore, enter "0" in the "Total Number of Households" field, and select "Save & Next" to move to the next form.

All projects: in the "Total Persons" column indicate the total number of "disabled adults," "non-disabled adults," "non-disabled unaccompanied youth," "non-disabled children," and "Total Number of Households" for each household in the project. The system will auto-populate the remaining fields in this column.

Next, identify the appropriate subpopulation (Chronically Homeless, Severely Mentally Ill, Chronic Substance Abuser, Veterans, Persons with HIV/AIDS, and Victims of Domestic Violence) for each person in the project. If the individuals are dually-diagnosed and fit into more than one subpopulation (i.e. severely mentally ill with chronic substance abuse), make sure to indicate these individuals in all appropriate subpopulations (it is possible to have overlapping information). The system will auto-calculate all totals based on the values entered for each subpopulation.

Notice that information can only be entered into certain fields. Chronically Homeless persons must be disabled adults in households without children, so no entry is allowed in the "non-disabled adult" fields. Also, Veterans must be adults; therefore, no entry is allowed for unaccompanied youth. All severely mentally ill persons and persons living with HIV/AIDS are automatically considered disabled; therefore, there can be no entry for non-disabled persons. For homeless assistance programs, chronic substance abuse, by itself, may constitute as a disability.

For additional instructions and examples on completing this form, reference the online training modules at: <http://esnaps.hudhre.info/training>. Reference the 2008 NOFA, and the program desk guide located at: <http://www.hudhre.info/index.cfm?do=viewHomelessAndHousingProgramInfo> for detailed program requirements.

**Indicate the total number of households that include a homeless adult without dependent children. Also identify the number of persons and subpopulations within each household in the project.**

## Instructions:

Chronically Homeless must be disabled adults in households without children (so no entry allowed in non-disabled adult or children/youth)

Severely Mentally Ill are all considered disabled (so no entry allowed in non-disabled)

Chronic Substance Abuse may not constitute a disability on its own

Veterans must be adults (so no entry allowed in children/youth)

Persons living with HIV/AIDS are all considered disabled (so no entry allowed in non-disabled)

## Outreach for Participants

### Instructions:

To help determine the eligibility of homeless participants served by the project, as well as the project's eligibility to apply for homeless assistance funding, indicate where the homeless participants are coming from (streets, emergency shelters, safe havens, transitional housing who came directly from the street, or other places). Also, describe how the applicant/sponsor plans to bring these participants into the project.

For additional instructions and examples on completing this form, reference the online training modules at: <http://esnaps.hudhre.info/training>. Reference the 2008 NOFA, and the program desk guide located at: <http://www.hudhre.info/index.cfm?do=viewHomelessAndHousingProgramInfo> for detailed program requirements.

**Complete the following fields related to the outreach plans to bring participants into the project.**

**Enter the percentage of homeless person(s) who will be served by the proposed project for each of the following locations.**

**Note: this includes persons who ordinarily sleep in one of the places listed below but are spending a short time (30 consecutive days or less) in a jail, hospital, or other institution.**

85%	Persons who came from the street or other locations not meant for human habitation.
5%	Person who came from Emergency Shelters.
5%	Persons who came from Safe Havens.
5%	Persons in TH who came directly from the street, Emergency Shelters, or Safe Havens.
100%	Total of above percentages

**If the total is less than 100%, describe very specifically where the other persons you propose to serve would be coming from, and how these persons would meet the HUD homeless definition.**

# Housing for Participants

**Instructions:**

The purpose of this form is to determine the ability of the project to meet the housing standards as described in the NOFA. While this form may be visible by all projects, it only applies to specific housing activities. All renewal projects and new SHP-SSO, SHP-HMIS, SHP-SH, S+C-SRA, and S+C-PRA projects do not have to complete this form and may move to the next form.

The maximum allowable length of stay for participants in SHP-TH projects is 24 months. However, Rapid Re-housing participants must not be housed longer than 18 months. HUD does not impose a length of stay restriction on participants in permanent housing projects (S+C, SHP permanent housing, and Section 8 SRO).

All SHP-PH, S+C-TRA, and S+C-SRA projects must describe the reason for selecting the proposed housing structure.

All S+C-PRAR, S+C-SRO, Section 8 SRO projects and SHP projects that are requesting funds for rehabilitation must describe the rehabilitation activities that will be undertaken for housing the participants in the project.

All other project types are not required to complete this form and may move to the next form.

For additional instructions and examples on completing this form, reference the online training modules at: <http://esnaps.hudhre.info/training>. Reference the 2008 NOFA, and the program desk guide located at: <http://www.hudhre.info/index.cfm?do=viewHomelessAndHousingProgramInfo> for detailed program requirements.

## Discharge Planning Policy

**The following question must be completed by project applicants that are State or Local government agencies.**

**Has the state or local government developed or implemented a discharge planning policy or protocol to prevent or reduce the number of persons discharged from publicly-funded institutions (e.g. health care facilities, foster care, correctional facilities, or mental health institutions) into homelessness or HUD McKinney-Vento funded programs?**

All written commitments must be signed and dated by an authorized representative, and should include the name of the contributing organization, the type of contribution (cash, child care, case management, etc.), the value of the contribution, and date the contribution will be available. It is also important that the written commitment include the project name and be addressed to the project applicant or sponsor.

Eligible leveraging items may include any written commitments that will be used towards the cash match requirements in the project, as well as any written commitments for buildings, equipment, materials, services and volunteer time. The value of commitments of land, buildings and equipment are one-time only and cannot be claimed by more than one project (e.g. the value of donated land, buildings, or equipment claimed in 2007 and prior years cannot be claimed as leveraging by that project for 2008 or any other subsequent year).

## SHP Supportive Services Budget

**Complete the following budget fields detailing how SHP funds will be used to provide supportive services project participants.**

### Instructions:

Enter the quantity and total dollar amount of SHP funds requested for each supportive service in the project for each year of the grant term. Enter only the portion of the costs DIRECTLY related to providing services to project participants who are eligible for SHP funding. Refer to the SHP Desk Guide for details on eligible supportive services costs:

<http://www.hudhre.info/index.cfm?do=viewShpDeskguide> For detailed instructions and examples on completing this budget, reference the online training modules at: <http://esnaps.hudhre.info/training>.

By law, SHP funds may be used to pay for up to 80% of the total supportive services budget for each year of the grant term. This means that the grantee or project sponsor must make cash payment for at least 20% of the project's total supportive services annual budget. Although documentation of matching funds is not required in this application; if the project is awarded grant funds, documentation for Year 1 must be presented before grant agreement and entered in the Annual Performance Report (APR) at the end of the operating year. Documentation of cash match for Years 2 and 3, if applicable, must be met by the end of each of those years and entered in the corresponding APR.

Rapid Re-housing projects - If the applicant is applying for a Rapid Re-housing Demonstration Project and will be providing housing placement, legal assistance and literacy training these items should be listed under "other" costs.
