Habitat Loan Terms/Interest Rate

The maximum loan is \$40,000 with a maximum loan term of 2 years. Qualified Habitat for Humanity organizations pay 0% interest on qualified loans.

Predevelopment Loan Charges

Borrowers pay a \$250 application charge at the time they submit the loan request. A 1% loan charge is due upon acceptance of a commitment letter and payable at the time of loan closing. Borrower is responsible for all loan closing expenses in escrow.

Habitat Loan Charges

Borrowers pay a \$100 application charge at the time they submit the loan request. A 2% loan charge is due upon acceptance of a commitment letter and payable at the time of loan closing. Borrower is responsible for all loan closing expenses in escrow.

Fund Availability

Loans are funded from a revolving loan account. Availability of funds is dependent upon the number and size of outstanding loans at the time of loan application. Due to the limited funds, predevelopment loan applications are on a first-come, first-reviewed and found to be qualified and ready to proceed basis. Due to limited funding availability, the Department encourages early repayment of these loans.
