**RULE SUMMARY**

HB 2436 (2009) establishes a \$15 fee for the recording of documents in the deed and mortgage records of the counties. This bill will provide a new revenue source to be used to increase housing opportunities.

The rule amendments will increase the focus of the Homeownership Assistance Program on minority homeownership.

ORS 183.335(2)(b)(G) requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
